Education

1979 Gymnasium (High School), Winterthur, Switzerland
1983 Msc Experimental Biology, ETH Zürich, Switzerland
1988 PhD Biotechnology, ETH Zürich

Professional

1988-1991 **Scripps Research Institute**, La Jolla, CA, USA (with L. Gerace)
1991-1995 **Yale University School of Medicine**, New Haven, CT, USA (with A. Helenius)
1995-present **University of Zürich**, Assistant, Associate and Full Professor
2007-present **3-V Biosciences (Sagimet) Inc.** CA, USA, Co-founder

Awards & Honors

1988 **Junior Fellow**, Swiss National Science Foundation (SNSF)
1993 **Cystic Fibrosis Research Award** NSF, USA
1994 **Swebelius Cancer Foundation Fellow**, Yale University, USA
1995 **SNSF START Fellow** (Swiss Talent in Research and Teaching)
2003 **Chair in Molecular Virology**, University College London, UK: declined
2012 **Elected EMBO Member** (European Molecular Biology Organization)
2014 **Severo Ochoa Lecture**, Madrid, Spain, Spanish National Research Council & the Autonomous University of Madrid
2014 **Helen C. Levitt Visiting Professor**, Department of Molecular Medicine, Mayo Clinic, Rochester MN, USA
2016-2022 **Elected Vice President, President LS² LS²** (Life Sciences Switzerland), acting past President
2018-2020 **Elected**

Selected Professional Activities

- 2005-present **Board of Reviewers**, German Research Foundation (DFG)
- 2006 **Chair** 8th International Adenovirus Meeting Zürich, Aug 30-Sept 2
- 2010-2018 **Scientific Advisory Board**, European Society for Virology
- 2013-2017 **EMBO Membership Committee**
- 2013-present **Board of Reviewers**, ANR (Agency of National Research France)
- 2013-present **Editorial Board** FEMS Microbiology Reviews
- 2014 **Chair** Monte Verita Meeting Virus Infections, Switzerland, Aug 25-28
- 2015-present **Board of Reviewers**, Pasteur Institute Paris, France
- 2015-present **Associate Editor**, mSphere
- 2016 **Elected Member of the Scientific Counsel**, German Society of Virology
- 2016 **Co-chair**, Europic, Les Diablerets, Switzerland, Sept 4-8
- 2016-present **Editor** FEBS Letters
- 2019-present **Editorial Board** Journal of Virology
- 2021-present **Section Editor** PloS Pathogens

Invited Plenary Lectures and Keynotes

1996-2022: 235
